**Vicar's Message:** Dearly beloved in Christ,

“Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms.” (1 Peter.4:10)  
My beloved in Christ,

We have stepped in to a new financial year. God gives days and years in our life and we are called to discern God's will and fulfill His purpose. Let us thank God for the blessings and guidance we received during the past year. We value very much and thank all the outgoing office bearers and executive committee members for their services to the parish during the last year. Grace of God is the great reservoir from which we may replenish our strength and receive needed wisdom. Let us work together for the expansion of His Kingdom and be of great blessings to others around us.

President Abraham Lincoln said “I wish to be remembered as the one who plucked a weed and planted a flower instead whenever it was possible”.

As a called out community, we all are the stewards of God's Grace and our discipleship is not an expression of a position but it's a disciplined and loving life style. The parable of the mustard seed (Mark.4:30-34) teaches a great truth, that is “Goodness in Smallness”. Although, the mustard seed is small, yet when it grows it becomes the biggest shrubs, putting forth branches, sheltering the birds of heaven. The smallness of the seed does not stop it from being beneficent to the birds. Though in its origin it is insignificant, but the matured result is the provision of strength and protection for those who came within its shadow. As Christians we must always spread our fragrance of good works where we are. It does not matter how small or insignificant we are, we are called by our Lord to keep doing well wherever we are. We should as Christians always make things better for others and for the world.

Our parish and its organizations are planned their Annual General Body meetings in this month. It is a time to look back and look forward with a renewed hope. Office bearers deserve our appreciation for completing their duties within a limited time period. This is the time to prepare year plan for the year 2014 .May I request your valuable suggestion and opinion for our future programs. Let us pray that all our programs be a meaningful one to each and everybody.

“New visions lead to new heights”. Let us move forward as a faith community to achieve the heights, which God Almighty desires on us.

With love & prayers,     **Shibuachen**

## Message from the Diocesan Episcopa

### Dearly beloved in Christ,

'For three years now, I have been coming to look for fruit on this fig tree and haven't found any.....' (Luke 13:7).

Happy New Year! An eventful 2013 has gone by. We have stepped into the New Year. Rather, God has granted us another year to exist in His Vineyard. It is not by our merit, but by His grace.

The man in this parable selected his vineyard to plant a fig tree - Luke 13:6-9. He took care of the vineyard and fertilized it every year. Usually, a fig tree is planted on the way side, but this man decided to give this tree a unique and special place. He liked the tree very much and therefore he came frequently to see it and expected it to bear fruit at the right time.

Though three years was more than sufficient for the tree to bear fruit, the man was disappointed in not seeing the expected result. So he ponders about cutting it down and saving the soil. The caretaker convinced the man to give it one more year, to dig around the tree, to manure it, and to allow the tree to grow and bear fruit. Thereby, we see that though the judgment for the tree is certain, grace is shown in extending its time.

Our Creator God is granting us another year to yield the expected fruits. Having completed the celebration of the silver Jubilee year, our diocese has entered into a new year of activity. God's expectation of the Diocese is His expectation from every parish, family, and member, as we are intrinsically interwoven to form the body of Christ. God has given our members a unique place in the Land. Think of the love and care God is giving to each one of us. We are accountable for all the blessings and privileges God has given. We are called to be mindful of God's expectation about us, and be good stewards in handling the time, talents, and our life.

**Mar Theodosius, Diocesan Episcopa**

## UPCOMING EVENTS

February 9-16, 2014: Maramon Convention

April 3-4, 2014: Annual Clergy Conference at the Philadelphia MTC

April 4-5, 2014: Diocesan Assembly at the Philadelphia MTC

**Time:** “Yesterday is gone. Tomorrow has not yet come. We have only today. Let us begin.” Mother Teresa.

We are living in a time frame and my question is we are living in whose time? Is it In God’s time or in our time? We are given a time in the timelessness of God .A time is given to us at our disposal. A time to be filled with events of our days!

Luke 12: 16-22 talks about a parable of the rich fool. Jesus said this parable in the context of a question from a man. A man was asking Jesus to talk to his brother about the division of the property. Then Jesus said this parable about the rich fool. He speaks this on the basis of the human’s greed towards wealth. He speaks on the choice of Life and wealth. He speaks on a question of what is life consists of? Is he really a fool or is he wise? I think he is a wise person when we evaluate in terms of following points. He cultivated his land properly and secured a good crop. He is having practical wisdom about the maintenance of wealth. He had farsightedness. He maintained everything efficiently. He secured his economic future. These things tell us that he is really a wise person and not a fool. He utilized his given time in a very wise way that he thought about his life. But somehow Jesus called him a fool. Many of us use our time in a way this foolish man used his time.

But Jesus wanted to look at our given time in a different way. Some of us are thinking that wealth is the ultimate aim of our lives and if we have wealth then nothing to fear. This foolish man thought the ultimate aim of human life is to have pleasure by eating drinking and having merry. He thought he has the sole authority of his life. We have given a time that is definitely ours, when we think that, this time is also belong to God then the perspective to life will change. The foolish man did not have that perspective towards life that is why he thought he is the boss to his life.

God has given us a time and he wants us to use this for his glory. If we think our ‘worth’ comes from our wealth then, we are definitely fools in the eyes of God. If we think we have security when we have enough

wealth then we are fools in the eyes of God. If we think our life is only to have pleasure then we will be fools in this world. If we think we are the boss of our lives then we are fools in the eyes of God. Time is very precious and we should be careful in utilizing the given time. We are privileged to live in this world with a given time but this is God's time too so we should be faithful to Him in utilizing our time. Let us dedicate our given time for His glory.
